ADDICT DANCE ACADEMY

EQUALITY AND DIVERSITY POLICY

1. Equality and Diversity Statement

- 1.1. Addict Dance Academy has valuing diversity and promoting equality as one of its core values. These govern the way we work with each other and our approach to all our learners and partners.
- 1.2. The College aims to promote equal opportunities for potential and current staff, students, parents, visitors and partners, and will actively implement all of its equalities policies in order to combat discrimination and to promote good relations between different groups.
- 1.3. We are proud to be in a city such as Leicester, and value the diversity of all the communities we serve. We acknowledge and celebrate the diverse backgrounds, cultures, languages, abilities and beliefs of our learners and staff. The College aims to promote community cohesion, and to provide a safe and harmonious learning environment where everyone feels that they belong.
- 1.4. The College works within the existing legislation relating to equality and diversity and will take a range of actions each year to ensure it meets its general and specific public-sector duties. We are opposed to, and will tackle, any harassment and all other discriminatory attitudes and behaviours, particularly in relation to the protected characteristics of the Equality Act 2010 i.e. age, disability, ethnicity, (including race, colour, nationality), gender, gender reassignment, marriage or civil partnership, pregnancy and maternity, religion and belief and sexual orientation, but also in relation to social background, class and trade union affiliation.
- 1.5. We will continue to take positive action to address any under-representation in the student or staff profile, and to tackle any gaps in the success, retention or achievement rates for any equality group. We will also work to eliminate any barriers that might inhibit the success or progression of any groups of students or staff.

2. The Legal Framework

- 2.1. The College will comply with the current legal framework of the Equality Act 2010 in both its spirit and letter.
- 2.2. The College will take a holistic approach to work on Equality and Diversity in relation to age, disability, ethnicity, gender, gender reassignment, sexual orientation, maternity and pregnancy, marriage and civil partnership and religion and belief. We will also consider issues of socio-economic inequality and class that are not required under the Act. This Policy will be monitored and reviewed annually.

- 2.3. In relation to disabled students, the College will adhere to its duties under the Equality Act 2010, which now replaces the SEN and Disability Act 2001 (SENDA) and will make *reasonable adjustments* to the curriculum, information and the built environment for disabled students. We recognise that the 'anticipatory' aspect of this duty means that we need to consider what sort of adjustments may be necessary for disabled people in the future, and where appropriate, will make these adjustments in advance.

3. Broad Principles

- 3.1. The College will publish the actions that it intends to take each year to implement its general equality duty set out in the Equality Act 2010 to:
- Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act.
 - Advance equality of opportunity between people who share protected characteristic and those who do not.
 - Foster good relations between people who share a protected characteristic and those who do not.
- 3.2. The College will also meet its specific duties as defined by the law. It will continue to implement and assess the impact of its policies, procedures and practices on present and potential students, staff and visitors, to ensure that no equality group is disadvantaged.
- 3.3. The College believes that high quality education is a right for all and will encourage all students and staff to reach their potential.
- 3.4. The College will actively work towards offering equality of opportunity to all students, staff and visitors.
- 3.5. All participants in the educational process will be made aware that they have a legal and moral responsibility to eliminate discrimination and harassment and to promote equality of opportunity and good relations between people from different backgrounds and communities, and between different equality groups.
- 3.6. The College will take active steps to eliminate all forms of discrimination (whether direct or indirect). Bullying, harassment or any other discriminatory behaviour will not be tolerated.
- 3.7. The College will take positive action to try to recruit a workforce and student body that is diverse and reflects the local population; and will address any differences in outcomes for any particular group.

4. Specific Principles – Leadership and Management

- 4.1. The College will ensure that equality and diversity is reflected in its values and vision statements, and that a high profile is given to these issues at all levels of the College's work.

- 4.2. The Principal will ensure that the College is fully compliant with legislative requirements on Equality and Diversity.
- 4.3. The College will monitor how well equality of opportunity is promoted, and discrimination tackled, through all of its quality assurance and self-assessment processes.
- 4.4. The College, and individual managers, will regularly monitor the success, retention rates and attendance rates of learners from different equality groups, and will take action to address any gaps.
- 4.5. The College will constantly review its provision and support services to ensure they are designed to take into account the specific needs of all equality groups.
- 4.6. The College will continue to assess the impact of its policies, strategies, plans and practices as required by legislation.
- 4.7. The College will work with employers and providers of work-based learning to ensure that equality and diversity principles are monitored and met, and that any under-achievement or under-representation is addressed.

5. Access to, and Participation in, Education

- 5.1. A clear statement of the College's commitment to Equality and Diversity will be made in relevant College publications and publicity.
- 5.2. The College will work to ensure that there is no discrimination of any kind in relation to the recruitment and admission of students to courses. Recruitment patterns across curriculum areas for all equality groups will be reviewed and positive action taken to address any under-representation.
- 5.3. The College will constantly review its provision to ensure that is appropriate for and attractive to students from all backgrounds e.g. physical access, location and timing of courses and interviews, availability of reflection rooms, and childcare support.
- 5.4. The College will provide appropriate financial support, within the resources available to it, to students who can demonstrate financial need and will monitor take up by equality groups.
- 5.5. The College will seek to identify and take into account the needs of local communities and actively encourage representation in relevant policy-making and consultation bodies.
- 5.6. The College will seek to develop specific provision that meets the needs of particular communities e.g. specific ESOL courses and on course ESOL support, support for young parents and Looked After young people.
- 5.7. The College will make available interpreters if they are required by students or their families to access education e.g. at enrolments, parents' evenings etc.

and will make information accessible and available in alternative formats if required.

6. Employment of Staff

- 6.1. Recruitment for all positions within the College will be carried out in a manner which accords with good equal opportunities practice. The College has a detailed Recruitment Selection Policy for staff recruitment and appointments.
- 6.2. The long-term aim is that the College establishment should broadly reflect the make-up of the sub-regional available-for-work population.
- 6.3. Members of interviewing panels will be made familiar with the College's Equality and Diversity Policy and the Recruitment Selection Policy. Training in appropriate procedures and practices, and on specific equalities issues will be given. Where possible, interview panels should also reflect the diversity of the College population.
- 6.4. The criteria for the promotion and progression of existing employees will be determined solely on the basis of the requirements of the job.
- 6.5. The Principal will be responsible for the maintenance of statistical information relating to the profile of the workforce, of all applicants and staff involved in disciplinary actions, grievances, leavers etc. and will review and monitor these statistics to identify any trends of differences between equalities groups.

7. Marketing, Publicity and External Liaison

- 7.1. The College will act to identify the needs of the communities the College serves and will take positive action to engage with equalities communities. This will include liaison with community representatives and market research.
- 7.2. Publicity material will, where practical, reflect the diversity of all communities, and will be free from bias.
- 7.3. The College's Equality and Diversity Statement and the full policy will be available to all staff and students and be referred to in key documents such as the Student Handbook and Prospectus.
- 7.4. The College's publicity material will be available in translation into community languages or alternative formats if required and will be widely distributed in public places and community venues.
- 7.5. The College will take positive action to publicise its provision to communities that are currently under-represented as staff or students, through attending community events, road shows, links with schools and other such specific initiatives.

8. The Curriculum, Assessment, Learning and Teaching

- 8.1. It is the legal and ethical responsibility of all staff to conduct their teaching and learning activities in a non-discriminatory manner, and this is reinforced in the requirements of the Common Inspection Framework.
- 8.2. All students will be provided with an effective induction programme that familiarises them with the College's Equality and Diversity Policy and helps them to recognise the rights and responsibilities of themselves and others in relation to these issues.
- 8.3. Teaching and learning will be informed by equality and diversity principles, and an awareness of cultural and linguistic diversity. Teaching styles should take account of students' varied backgrounds, abilities and learning styles. This should be regularly monitored through the College's quality assurance processes.
- 8.4. The outcomes of any assessment processes will be regularly monitored to ensure that they do not indirectly discriminate against any particular group of learners.
- 8.5. The taught enrichment programme for all curriculum areas will address equality and diversity issues including community cohesion and religious and cultural diversity, and we would expect that student surveys reflect a good understanding of these issues.
- 8.6. The curriculum for all areas will be rich and varied and should be regularly reviewed to ensure it is culturally sensitive, addresses equality issues, and reflects the interests and backgrounds of learners.
- 8.7. All teachers should use materials, resources and learning activities that are free from discriminatory assumptions, images and language, challenge stereotypes, are sensitive to diversity and promote equal opportunities. The College will take swift action if it is made aware of any inappropriate materials that are discriminatory, or work against community cohesion.
- 8.8. Curriculum design will be sufficiently flexible, and the curriculum offered sufficiently broad, to take account of the differing needs of all learners, with the objective of providing easy access to the curriculum for non-traditional learners and widening participation.
- 8.9. Under the protection of the relevant legislation, the College will encourage specific course provision in those areas of the curriculum where particular groups of students are under-represented.
- 8.10. The College will offer learning support in literacy and numeracy for all students who are identified as requiring it, support for students whose first language is not English, and appropriate additional support for any disabled students.
- 8.11. A range of inclusive enrichment activities will be developed (both college wide, and in specific curriculum areas), that promote the good relations between students from different backgrounds, and support community cohesion.

9. Student Support and Guidance, and Learner Voice

- 9.1. Support (financial or personal) provided to students through Student Finance and Addict Dance Academy's Scholarship Fund will be monitored by equality groups to ensure that it is equally available to all students, and positive action will be taken if any group does not appear to be accessing a service.
- 9.2. Positive action initiatives will be developed to meet the needs of students from any particular groups who are found not to be proportionately accessing support services e.g. young parents, Looked After young people, asylum seekers, international students.
- 9.3. Pastoral support will be constantly reviewed to ensure it takes account of the needs of particular groups of students.
- 9.4. We will provide appropriate impartial advice and guidance to all students, ensure that all students have access to appropriate financial support, and will monitor the take up.

10. Behaviour, Attendance, and Discipline

- 10.1. All formal processes relating to student behaviour or disciplinary actions will be monitored by equalities group, and any over- representation or other issues will be addressed.

- 11.4. The College will cater for the different religious and cultural needs of its students e.g. providing for particular dietary requirements where possible, providing reflection rooms where possible.
- 11.5. The College will continually review the physical access to its buildings and environment to ensure it complies with the law and is accessible to the widest

range of disabled people as possible and will publish information about its access arrangements.
